## General Assembly 2026 - Commissions

The Church of Scotland

This year's General Assembly takes place from Friday 15th – Monday 17th May 2026, in hybrid format.

Due to the fast pace of change in our parishes within the presbytery and the high number of vacancies, it is not possible for us to operate an automatic rota system as was previously the case. We will return to that system in the future.

We are therefore looking to fill our commission allocation and would ask if any Presbytery Elder or Minister who would like to be commissioned to attend this year, please contact the Presbytery Clerk as soon as possible, and by the end of January at the latest. We would also be pleased to hear from ministers with recommendations of elders from their sessions who might be willing and suitable.

As the Assembly is hybrid, it is possible to attend either in person or online, but not a mix. If you are interested, please contact Alec ([ashuttleworth@churchofscotland.org.uk](mailto:ashuttleworth@churchofscotland.org.uk)) with subject line GA Commissions and indicate if your preference is to attend in person or online.

## Tribute to the Reverend Dr Gordon F.C. Jenkins 9th January 1941 - 26th January 2026

Gordon Jenkins was ordained and inducted to Dunfermline North Parish Church in December 1968, a ministry that was to last twenty years until, in 1988, he joined the staff of '121' as secretary to the Education for the Ministry Committee, a position from which he was able to support the students and probationers who were in training. It was in the summer of that year Gordon graduated with a Ph.D. in Scottish Church History.

Although working in '121'. Gordon never thought of himself any more than a parish minister, so when the North Parish became vacant again in 1998, his pastor's heart led him back to there for a second period of ministry, from which he finally retired in 2006.

I was a 12 year old member of the North Parish BB Company when the then 'Mr' Jenkins arrived in Dunfermline. Not enjoying the BB Bible Class, I started attending the Church where this young recently-ordained minister was conducting worship, and I found, even at that young age, what was being preached was both understandable and enjoyable. At that impressionable time of my life, I found in Mr Jenkins, someone who was supportive, friendly, and approachable. Through his ministry I was converted, and called to ministry along with several other men, eventually finding ourselves serving congregations in various parts of Scotland.

I personally will never forget the interest he took in my progress through divinity college, and on through my ministry in each of the congregations I served; and although failing in health recently, that interest was still evident. He had a forensic style of questioning which was often challenging, as he made me think through some of the issues I was facing.

Gordon preached faithfully from the Scriptures, placing a supreme importance on the prayer meeting and on pastoral visiting, endearing himself to members of the congregation, ably supported by his late wife, Linda, who passed away in September 2025. A true ministry team.

Following his retiral Gordon and Linda lived in different communities in Fife, but settled eventually in St Andrews, making their home church Creich, Flisk and Kilmany, where he provided pulpit supply. He wanted to keep on preaching long after he retired, and even after a series of strokes, he didn't stop hoping to get back in the pulpit as soon as he was able.

Even in the care home, to which he moved following Linda's passing, he wanted to continue his ministry in some way. Sadly, that wasn't to be and on Monday 26th January, with his daughter Marion at his bedside reading to him from the Psalms, the Lord called him home.

# Licensing of Ecumenical Community Chaplain

It was a special occasion on Sunday 25th January when the Moderator of Fife Presbytery, Rev Arthur Christie along with the Presbytery Clerk Rev Alec Shuttleworth joined Bishop Ian Paton of the Scottish Episcopal Church for the licensing of Pioneer Ecumenical Community Chaplain Rev Valerie Walker.

Valerie, and ordained priest in the Episcopal Church, has worked with Fife Eden Tay Church in the Newburgh/Lindores area for over two years now in the MDS post, helping to grow a vision for pioneer outreach in Newburgh, and the surrounding area.

The service on Sunday was to celebrate the SEC matching the existing 0.25 FTE Church of Scotland funding, to extend Valerie's role in ecumenical partnership.

# Safeguarding Update

A new training calendar has been circulated to all Safeguarding coordinators, and is attached below.

As always, we encourage everyone to ensure they are up-to-date with their Safeguarding Training requirements. If you are unsure what training you need, or if your due, please speak to your congregation's co-ordinator.

Alan Monk, one of Fife Presbytery's Safeguarding Trainers, has indicated his wish to reduce his commitment to delivering training, and we are therefore looking for anyone who might be interested in taking on this role. # Wellesley Centre 100 Years

On January 25th, the Wellesley Centre celebrated their Centenary with a special service! The Moderator, Rosie Frew, led a sermon about the living stones—whether big or small or misshapen, they are all different just like us. With unity, we can build together with our special shapes and strengths!

They were very pleased to have the Rev John Thomson and his wife Maisie, and the family of the Rev Alec Barr with them during the service. Both gentlemen served the congregation with distinction and their presence made their celebrations! Rev Arthur Christie rededicated the church in prayer.

They were also very honoured to have the Lord Lieutenant of Fife with them for the service. Mr Balfour always provides great support and the congregation were delighted that he and Mrs Balfour were at the service and lunch.

Thank you to all who came, stayed for the Ceilidh or encouraged the dancers. 100 years on and now we wait to see what God has in store next for Wellesley Parish Church!

## Volunteers Required

We are looking for volunteers on the 7th May 2026 from 9.30am - 1pm at St Marks, St Andrews to help with the annual attestation/inspection of records!

## Taizé style worship at St Serf's Church, Burntisland

Candles lit during Taizé worship at St Serf's

**New time for this  
spring 2026 series:**

**4 pm  
Sundays  
1 February,  
1 March,  
5 April**

What is Taizé worship? It is a reflective style of worship, which we enter and leave in silence. Taizé music emphasizes simple phrases, usually lines from Psalms or other pieces of scripture, repeated and sometimes sung in canon. But Taizé worship is more than music. Scripture, prayer, and silence come together in the Taizé experience to create a simple, deep encounter with God. As part of the service, you may light a candle.

*For more information about Taizé worship, you can visit the international website for the Taizé community: <https://www.taize.fr/en>.*

# Listed Places of Worship Grant Scheme Update

The UK Government has recently confirmed that the Listed Places of Worship Grant Scheme will cease on 31st March 2026. The budget for this scheme in 2025/26 was £23 million and the most recent figures show only £4m of this funding remaining. If any churches intend to make claims before the end of March, these should be submitted as soon as possible, as the funding may well run out before the end of the claim window.

A new capital grant scheme is being funded in England to assist with repair and conservation work to historic places of worship. However there are currently no details of any similar schemes for Scotland or any other measures to alleviate the cost of VAT on church repairs.
