### Hymn - What will the future hold?

What will the future hold?  
It is not for us to see.  
It may bring hope and faith and love  
Or sadness everywhere.  
Let's pray for peace today,  
And for all wars to end.  
To cast away all thoughts of strife  
Our Saviour and our Friend.

What will the future hold?  
It's not for us to see.  
Fresh water, food, and laughter heard.  
Or flood, disease and fire.  
Let's pray for peace today,  
And all the crops to grow.  
To find a cure for climate change,  
Where starving is no more.
